

OUR COUNTY...

Golf is one of the many activities beckoning visitors to Ohio's Tuscarawas Valley. Sprinkled among the hills and valleys are several golf courses where players will relish natural settings with views of the beautiful Tuscarawas River and the Appalachian foothills.

The area is also a tourist destination with a wealth of attractions and museums. From historic villages to celebrations of a mix of cultures that converged in what was once Ohio's frontier, the Tuscarawas Valley has experiences awaiting visitors with a multitude of interests. The area is also home to a growing culinary trail. More than five wineries, local cheese houses, a variety of restaurants, local pubs and nightly musical entertainment add to any groups' experience! We are conveniently located less than two hours from Cleveland, Pittsburgh, Columbus and Wheeling and offer affordable and challenging golfing experiences from one of Ohio's newest courses to several popular courses that are well-known to locals and visitors alike!
