Travel Tusc Ticket

Free Admission for Tuscarawas County Children!

Several years ago, the Tuscarawas County Convention and Visitors Bureau embarked on an effort to help local residents see more of their own community by providing free tickets to our attractions. Since then, we have distributed over 10,000 free tickets to our museums, historic sites, and special events. This year we're offering the tickets to children of Tuscarawas County residents to get them excited about everything our county has to offer!
